

NATIONAL CARERS WEEK 2015 11-17 OCTOBER

#Carers2015

There are over 2.7 million carers in Australia providing unpaid care and support to family members or friends who have a disability, mental illness, chronic condition, terminal illness or who are frail aged. Carers make an enormous contribution to our collective communities.

This National Carers Week we're asking you to **SHOW YOU CARE** about carers. It's easy to **get involved**, just go to carersweek.com.au to find how you can participate and to find an event near you. Remember to also pledge your support for a carer friendly Australia. It's free to pledge and takes less than 2 minutes to complete.

National Carers Week is an initiative of Carers Australia and funded by the Australian Government.
